Dear Sir:

In response to the Notice of Non-Compliant Amendment (37 CFR 1.121) dated November 9, 2001, applicants submit a Preliminary Amendment in the proper format.

IN THE SPECIFICATION:

Pages 1-4, for the last paragraph starting on page 1 through to page 4, please substitute the following paragraph:

MY

--Antenna diversity systems of this type are preferably used for VHF radio reception, and have been in use for a long time, such as described in US patents 4,079,318 and 5,517,686. The object of these diversity systems is to achieve by phase-
